5.5 PUBLIC COMMUNICATION SERVICE - COIN AND COINLESS (Cont'd)

5.5.5 INMATE TELEPHONE SERVICE

\*\*  
\*

ITS service has an outward screening arrangement that only allows local messages, direct distance dialed unassisted messages and Collect 0+ calls as defined in this tariff.

ITS - Outward only service has an outward screening arrangement that only allows Collect 0+ calls as defined in this tariff.

B. REGULATIONS

Calls to Telephone Company service numbers such as repair service, directory assistance, live operator (0-), Toll Free numbers, 10XXX, and 911 will be blocked from all Network Controlled Inmate Lines.

Directory Listings are not provided with this service.

Touch-Tone calling as specified in A5.4.2, is available on an optional basis.

ITS is subject to the resale regulations outlined in A2.2.5.

The discount provisions of A2.3.4 are not applicable.

Optional Calling Plans cannot be provided in conjunction with NCIL.

Responsibility of the Customer

The customer shall be responsible for the installation, operation, and maintenance of any customer-provided inmate coinless telephone equipment used in conjunction with this service.

The customer shall be responsible for payment of all charges associated with this service.

Until January 1, 1997, the Customer shall be responsible for recording and providing to the Company the details of all local and intraLATA toll messages direct dialed from ITS lines. The Customer shall provide such records to the Company in the standard Automated Message Accounting (AMA) format on a monthly basis.

Inmate coinless telephones must be registered in compliance with Part 68 of the FCC's Registration Program or connected behind a FCC registered coupler.

Violation of Regulations

Failure of the customer to comply with the provisions of this tariff will result in the suspension of the customer's service.

5.5.6 NETWORK CONTROLLED COIN LINE (NCCL) (Cont'd)

\*\*  
\*

A. DESCRIPTION

NCCL is equipped with coin control capability which includes coin collect and return features, call rating capabilities, and unique operator services which allow an end user to signal the operator by a momentary flash of the switch-hook during a call.

NCCL may be provisioned as a NCCL Exchange Access Line or NCCL Exchange Access Line - Outward Only.

NCCL has an incoming screening arrangement which prevents the completion of collect or third number calls to the NCCL pay telephone, when such calls originate within the continental United States and when such calls are processed through the billing verification database. NCCL also has an outgoing screening arrangement where originating, operator handled calls are restricted to collect, third number and calling card only.

B. REGULATIONS

Local messages for NCCL will be billed on a flat rate basis for an interim period of time, until it is technically feasible to bill on a message rate basis. At that time, all NCCL exchange lines billing on a flat rate basis will be converted to be bill on a message rate basis.

Connection of more than one telephone to a single NCCL exchange line will be permitted, but is limited to those locations where NCCLs are associated with common equipment dedicated solely to NCCL and arranged so as to ensure user privacy and provide no inordinate levels of call blocking.

The discount provisions of A2.3.4 are not applicable.

A directory listings is available with each NCCL.

NCCL - Outward Only customers must subscribe to non-published directory listing service and pay the appropriate charge as specified in A5.7.1.D for each service location.

Touch-Tone calling as specified in A5.4.2, is available on an optional basis.

700 only, 900 only, or 700/900 blocking as specified in A10.4.3, is available on an optional basis.

NCCL is subject to the resale regulations outlined in A2.2.5.

5.5.6 NETWORK CONTROLLED COIN LINE (NCCL) (Cont'd)

\*\*  
\*

B. REGULATIONS (Cont'd)

1. Responsibility of the Customer

The customer shall be responsible for the installation, operation and maintenance of any pay telephone used in connection with this service.

The customer shall be responsible for payment of all charges associated with this service including applicable local, toll and FCC charges. Adjustments to the customer's local message and/or toll bill will not be made.

NCCL pay telephones must be registered in compliance with Part 68 of the FCC's Registration Program.

NCCL pay telephones must comply with all applicable federal, state and local laws and regulations concerning the use of these telephones by disabled persons and the hearing impaired.

2. Required Operational Characteristics:

- Must be able to access an operator (dial-0) at no charge and without using a coin.
- Must be able to dial 0 (operator) plus the appropriate number of digits for Calling Card, Collect and Third Number calls at no charge and without using a coin.
- Must be able to access 911 Emergency Service, where available, at no charge and without using a coin.
- Must be able to access all interexchange carriers, where available.

5.5.6 NETWORK CONTROLLED COIN LINE (NCCL) (Cont'd)

\*\*  
\*

B. REGULATIONS (Cont'd)

2. Required Operational Characteristics: (Cont'd)

- Must be able to access Toll Free numbers, 950 Interexchange Carrier numbers, and Interexchange Carriers in equal access exchanges at no charge and without using a coin. Where Interexchange Carriers do not have equal access service or a 950 number, customers may charge applicable local or toll rates for calls to the Interexchange Carrier's non-equal access numbers.
- Must allow the completion of both local and long distance calls.
- The customer shall cause to be prominently displayed on each customer-provided pay telephone used in connection with this service clear and concise dialing instructions. Refund and station ownership information must be provided to NCCL pay telephone end users, but, at the option of the NCCL pay telephone provider, may be either posted at the station set or available via a free information number. In addition, the source for obtaining refunds must be a party within the State of New Jersey.
- The NCCL customer may not charge users of their pay telephones more for the initial or additional periods of a particular local message than the underlying carrier is authorized to charge for the initial or additional periods of a local message through its pay telephone service.

3. Outward-Only NCCL

NCCL customers may prevent incoming calls, but when doing so must conspicuously post notice of the pay telephone's inability to accept incoming calls on or within close proximity of the NCCL station set.

4. Violation of Regulations

Failure of the customer to comply with the provisions of this Tariff will result in the suspension of the customer's service.
